Planer

TE-PL 920

Item No.: 4345325

Ident No.: 21013

Bar Code: 4006825673029

The Einhell Electric Planer TE-PL 920 is a high-performance hand planer for applications up to 3.5 millimeters cutting depth. It features a large blade shaft, 920 watts of power, and a maximum planing width of 82 mm, ensuring optimal planing results. The chip ejection can be set on either side, and the included dust extraction adapter with a 36 mm diameter can be attached, compatible with all suitable Einhell wet/dry vacuums. With a fold depth of 18 mm and a folding depth stop, you can create straight and clean folds. The automatic parking shoe protects both the workpieces and the planer blades. The package includes a parallel guide and two durable TCT planer blades (reversible).

Features & Benefits

- Powerful hand planer with high cutting depth
- Large cutter block for optimum planing results
- Two-sided selectable chip ejection for flexible working
- Solid aluminium foot plates for flat work results
- Base plate with 3 V-grooves for easy chamfering of edges
- Simple, visible adjustment of the chip depth
- Protection of workpiece and planing knife thanks to automatic park
- Rip fence for straight and precise planing work
- Folding depth stop for easy production of heels
- Suction adapter for connecting Einhell wet-dry vacuums
- Ergonomic handle for fatigue-free work
- Comfortable and safe handling thanks to softgrip
- Incl. 2x long-life TCT planing knives (reversible knives)
